

Erin E. Hauser - Candidate for Secretary

B.S. Geology 2004 – Ohio University

Professional Membership:

Dallas Geological Society – 2007 – present

Employment:

Assistant Geologist, Central Europe-Asia team - DeGolyer & MacNaughton, Sept 2007 – present

I am beginning my career working with a very talented team of geologists to help develop a good foundation to build my skills as a geologist.

Geological Technician, Central Europe-Asia team – DeGolyer & MacNaughton, April 2006 - Sept 2007

General Geotech duties including sorting, plotting, and digitizing various geological maps.

Worked on the Resources team developing reports and began creating maps with the geologist.”
