

CRAWFISH

c/o Dallas Geological Society
8140 Walnut Hill Lane, Suite 230
Dallas, Texas 75231

March 14, 2024

Dear DGS Friends,

The Dallas Geological and Geophysical Societies (DGGS) have joined forces to host the 25th Annual Crawfish Boil. To further camaraderie and networking among the local members of our industry, we are once again hosting this annual function. This industry-wide social event will be held on Thursday, May 2nd, at Winfrey Point on White Rock Lake. Because of the drought last year in Louisiana the price of Crawfish has skyrocketed. To offset this we will likely have shrimp in addition to a limited amount of crawfish.

A very sincere thank you goes out to all of you who helped us through your generous sponsorships both last year and in years past! This event would not be possible without your support.

DGGS once again looks forward to your assistance with this year's event. Sponsors will be recognized in our advertisements at the event and on our web page. Your contribution for underwriting expenses is greatly appreciated. In return for your donation, you will receive advertising and complementary admission as described below:

LEVEL	DONATION AMT.	COMP TICKETS
Platinum	\$2000.00	16
Gold	\$1000.00	8
Silver	\$500.00	4
Bronze	\$250.00	2

The price of admission for individual tickets will be \$40 through April 25th, \$55 at the door, and children under the age of 14 are free. Please make your sponsor check payable to "The Dallas Geological Society", and mail to:
